

HUBBARD

CONTRACT

Hi, I'm Andrea and I lead the team at Hubbard Contract. Our passion and experience for textiles extends over four decades.

Hubbard Contract was founded with a unique mission: provide premium drapery and roller shade fabrics tailored specifically for the hospitality industry.

A modern hotel room with a large bed, white linens, and a large window with sheer curtains. The room is bright and airy, with a wooden headboard and a bedside table. The text is overlaid on a semi-transparent white box in the center-left of the image.

WHY US?

At Hubbard Contract, we specialize in drapery and roller shade fabrics tailored for hotels. In every project, our focus is to bring your creative vision to life.

Designing hotels can be complex. We make it simple, offering guidance to support your style, budget and lead time.

CREATING COLLABORATION

To support your creativity.

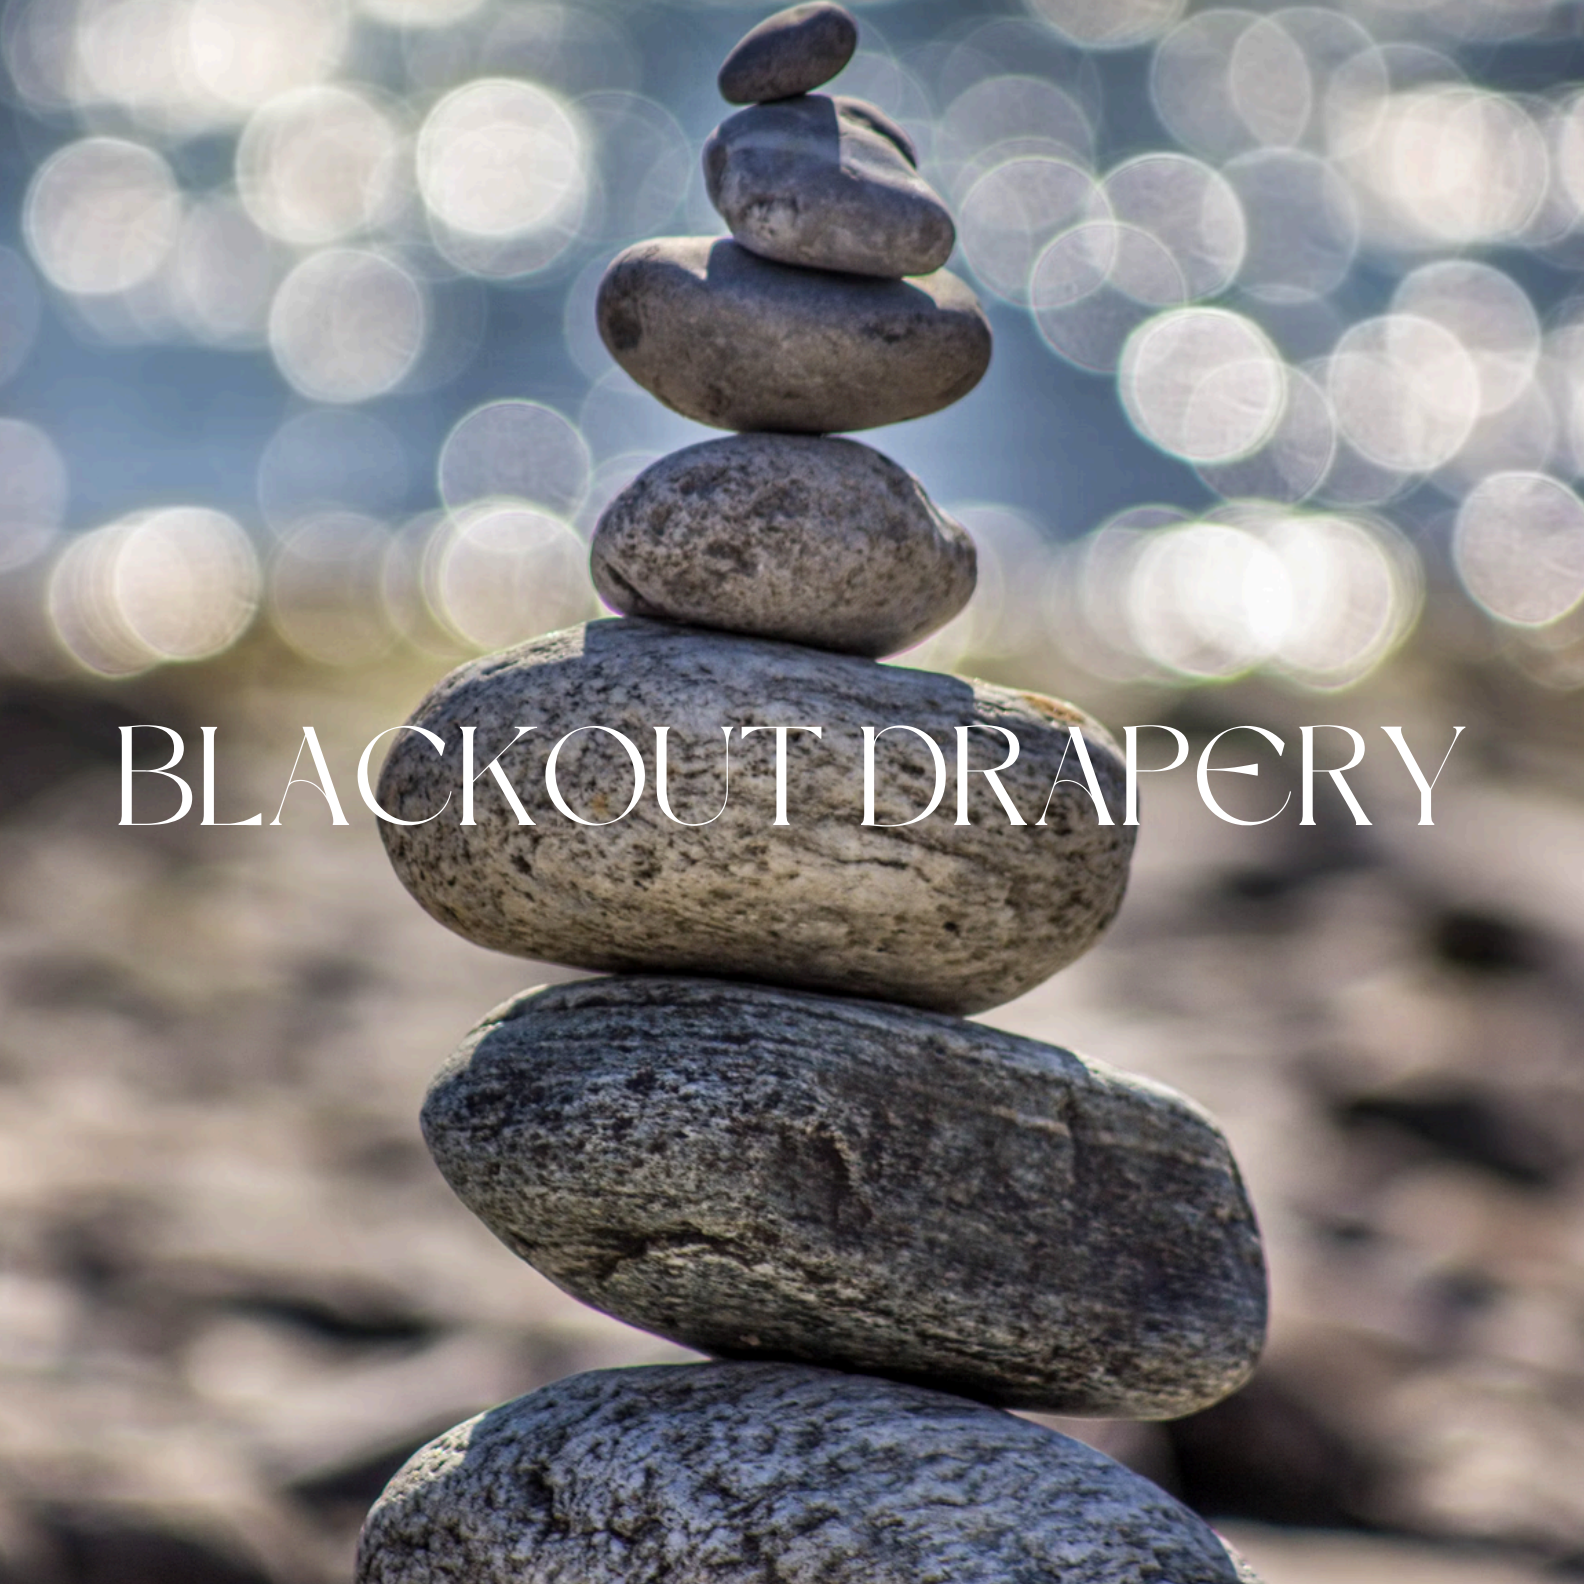

LOOKBOOK

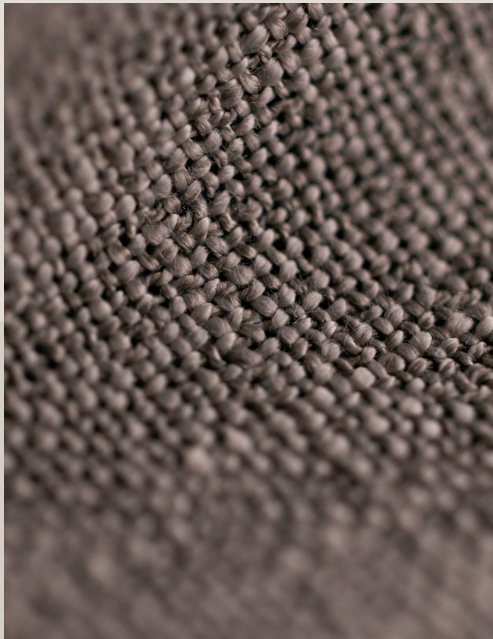

CREATIVITY & INNOVATION

Showcasing endless possibilities and unmatched expertise.

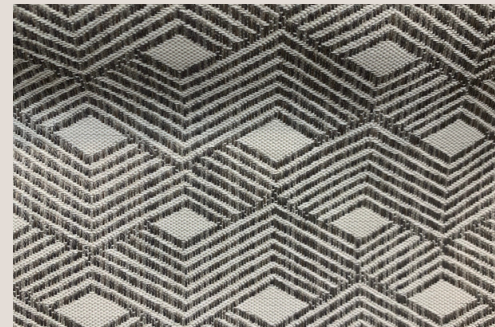

Inspired by color and texture.

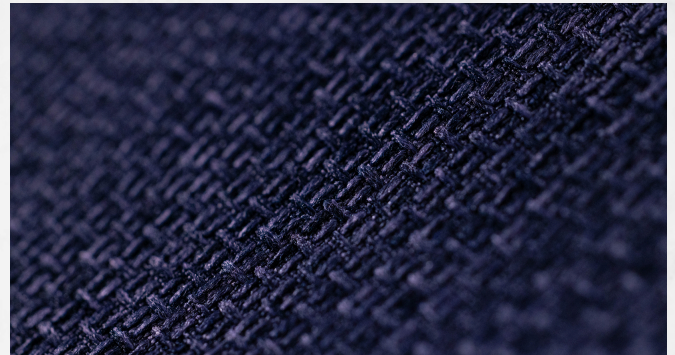

BLACKOUT DRAPERY

BLACKOUT DRAPERY

Blackout Drapery is more than a fabric, it's a process. Combining the beautiful color and texture of drapery fabric with the blackout qualities required for hotel guestrooms.

ROLLER SHADES

Elevate your designs with our roller shade fabrics. From classic to bold, our versatile collection offers durability and style for every space. Our quality materials will bring your vision to life with elegance and functionality.
